Through investigation, it may be determined that the classification must be recoded (for example, recoded from “Criminal Harassment” to “Harassing Phone Calls”).

USE OF FORCE

The following statistics capture all use of force options exercised by all responding officers. During most incidents, more than one use of force option was used. The statistics refer to 24 incidents, for which 19 team and 5 individual reports were filed. For team reports, one report is filed for multiple officers. De-escalation was attempted in 18 reports. In the 4 reports where not attempted, de-escalation was either not possible due to immediate action being required, imminent threat, or immediate compliance. All incidents involved warrant executions, subjects assaultive and/or armed or suspected to be armed with weapons.
